COMMUNITY CONCERNS

There was a meeting August 25 at 6:00 p.m. to discuss routes for ATV's to enter and exit Goodsprings. Meggan will research a couple routes discussed. The plan is to meet again September 29, 2015 at 6:00 pm. Metro Officer stated again that everyone needs to call Metro so they can keep a log of complaints when someone is bothered by the ATV's. The Community needs to establish a route and rules to educate the people driving the ATV's.

The Seven Magic Mountains art installation along South Las Vegas Blvd. are 7 40' high giant neon rocks sculptures. Public Works suggested they put in a turn lane at the site. There has been a waiver of conditions submitted by the applicant to request to waive the condition for the turn lane. There were concerns that these sculptures might cause accidents along the freeway by people trying to look at them. Also, that it goes along the Old Spanish Trails route. Ruth Rawlinson made a motion that a representative from the project come to our September 29th CAC meeting to explain the project. 2nd Colleen (4-0) Meggan will send in comments and suggestions of the Board members to BLM before the August 27th deadline.

CORRESPONDENCE

There will be a workshop for Uber Transportation August 26, 2015 3:00 – 5:00 p.m.
